

**We also recommend incorporating Immune Balance 365 into your diet and exercise plan.** In addition to keeping your immune system in top shape it contains the patented Ashwagandha extract, sensoril, which has been shown to reduce stress and cortisol levels which both have links to stubborn belly fat and cardiovascular disease.

People get sick 365 days a year, not just in winter. Most immune products are designed to be taken for a short period of time or only after you get sick. Immune Balance 365 provides safe, year round immune system support.

**Immune Balance 365 provides:**

- **Bioavailable Antioxidants**
- **Adaptogenic Disease Resistance**
- **Advanced Immunomodulators**
- **Intestinal Health / Digestive Support**
- **Stress Relief and Cortisol Reduction**

Some studies indicate chronic stress as a more harmful factor than cigarette smoking in terms of overall wellbeing. Stress causes the body to produce too much cortisol. Too much cortisol can contribute to weakened immune response, belly fat, fatigue, and longer recovery times for illness. Studies of Sensoril® ashwagandha, contained in Immune Balance 365, demonstrated a 69% reduction in perceived stress and 24% reduction in serum cortisol.

**LIQUID HEALTH™ is an NSF cGMP Manufacturer.**

NSF stands for National Safety Foundation (It is now called NSF International). NSF is a non-profit, non-governmental organization that develops standards and rigorous criteria to help companies to operate not only within the bounds of the 21 CFR 111 (the regulation from the FDA regarding manufacturing of dietary supplements) but **well beyond what is required by the FDA**.

Health Supplements and Dietary Supplements with the NSF mark have been tested for safety from contaminants and are regulated for manufacturing consistency and accuracy. NSF certification for manufacturers means that a company has undergone strict review for quality, consistency, and accuracy in their manufacturing processes.

GMP stands for Good Manufacturing Practices. GMP's are a set of rules and guidelines set forth by the FDA in a mandate called 21 CFR 111. In order for a manufacturer to be able to continue to manufacture products in the United States they must comply with the good manufacturing practices mandated by the FDA in 21 CFR 111. cGMP simply means current good manufacturing practices.

Essentially cGMP compliance is another step of quality that a company goes through voluntarily to show their commitment to the cGMP's and also to making safe, consistent, and quality products.

## Break Through Your Weight Loss Plateau

with

### RASPBERRY KETONE —FAT-BURNER—

&

### african mango XD Appetite Suppression and Weight Loss

# What Is Causing Your Weight Loss Plateau?

- Age
- Stress
- Hunger pains
- Lack of Energy
- Poor Metabolism
- Fat Protecting Hormones
- Unsustainable Food Restrictions

Despite Regular Diet and exercise many people find it difficult break through their weight loss plateaus. African Mango XD and Raspberry Ketone can help you break through your plateau and achieve your desired body composition fast!

Whatever your plateau, Liquid Health™ has a product designed to support your weight loss & fitness goals.

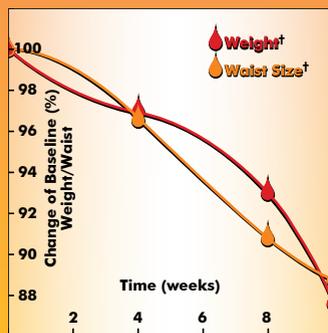

## African Mango XD

is an appetite suppressant that comes in a conveniently sized portable dropper. As the drops are in highly absorbable liquid form, they act fast to reduce hunger cravings and thereby decrease overall caloric intake. The citrus taste is refreshing and the drops can be used 2-3 times a day 45 minutes before meals.

## RASPBERRY KETONE —FAT-BURNER— Fat Blocker and Metabolism Boost

**Liquid Health™ Raspberry Ketone** acts as a daytime thermogenic and fat blocking agent. **Liquid Health™ Raspberry Ketone** tastes delicious yet addresses some of the most problematic areas of body composition. By stimulating the hormones that regulate and break down fat storage, **Liquid Health™ Raspberry Ketone** can help you redesign your body image and rid yourself of stubborn fat. By increasing your resting metabolic rate, you burn more calories rather than store them as fat even while you rest.

- Delicious Raspberry Taste
- Once a day morning formula
- Thermogenesis\*- 3 x more powerful than capsaicin
- Reduce cellulite and fat formation\*
- Increased Adiponectin a hormone that signals to your body that enough fat has been stored\*
- Promotes Lipolysis (Break down of fat for energy)\*
- L Carnitine- Reduce fat mass while increasing muscle\*
- Green Tea- satiety and increased metabolism\*

\*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease

Whether your problem is stubborn body fat, hunger pains, slowing metabolism or all three, Liquid Health™ has the solution for your weight loss needs. Experience a life changing breakthrough in your body composition today.
